AND ADAPT

Efficiency & Adaptability

Business does not want “technical success”

Why Agile?

“It is not the strongest of the species that survives, nor the most intelligent, it is the one most adaptable to change”

- Charles Darwin

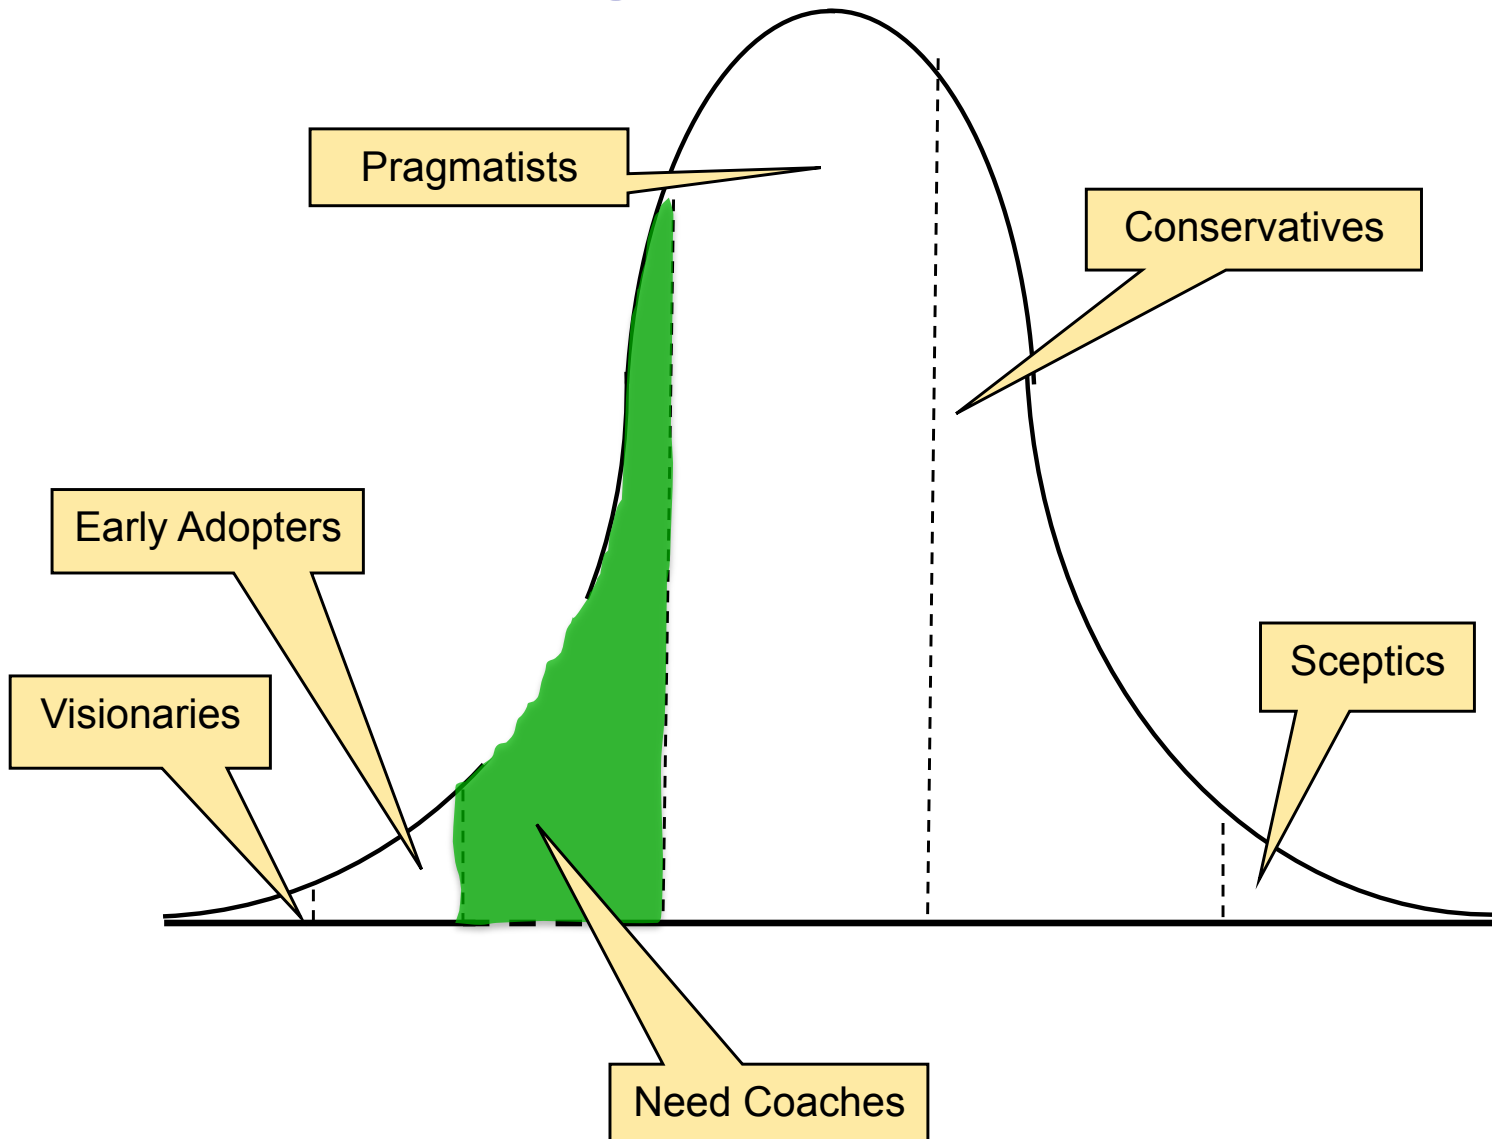

Challenges at BT

“Of all the places to try agile, why would anyone choose [BT]”

- JP Rangaswami
BT Global Services CIO

2IC - The Starting Point

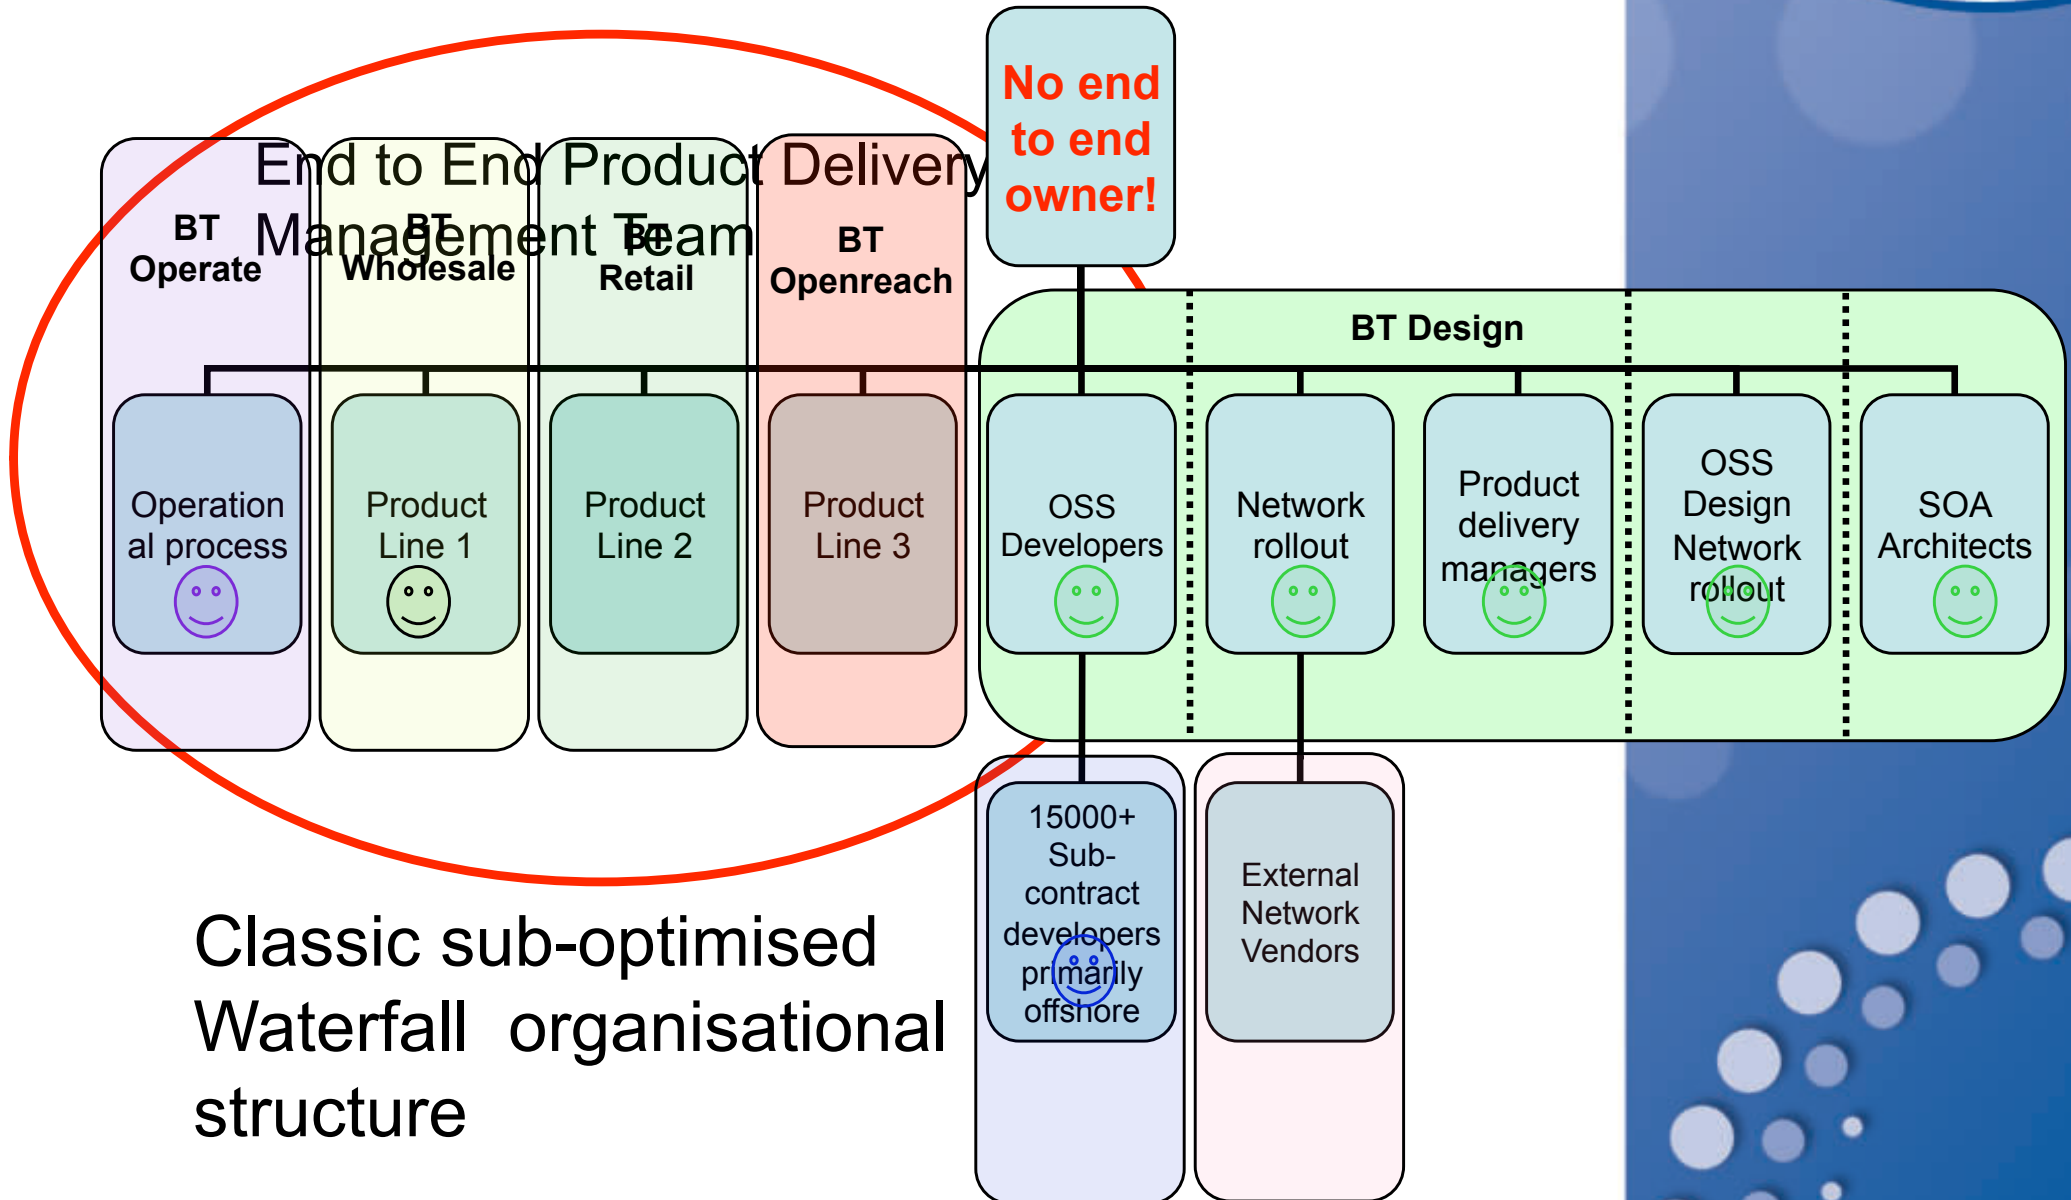

Classic sub-optimised
Waterfall organisational
structure

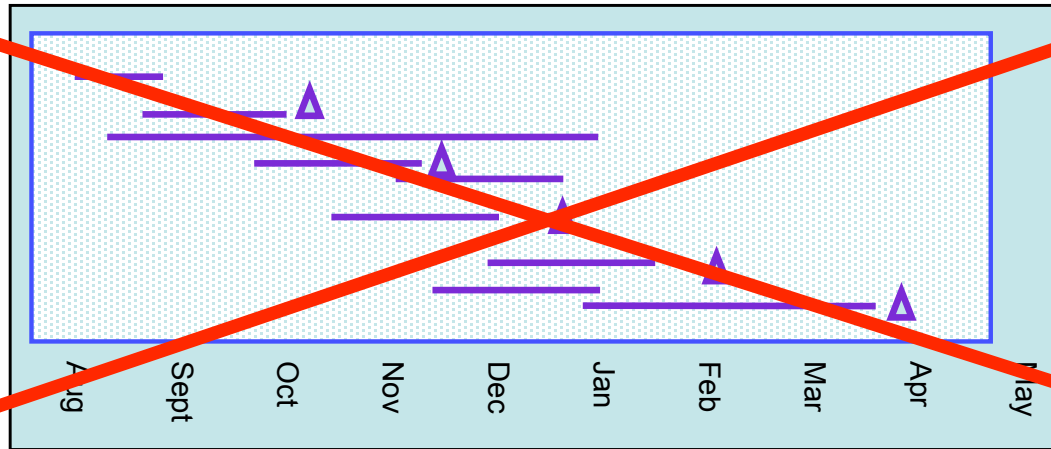

Kick-Off

- Initial event for management team
 - Essential to get buy-in for top-down support
 - Lean Analysis workshop
 - External consultants
- Major Team Event
 - Large scale Agile simulation
 - Focus on end to end delivery
- Product and team selection for initial target

The New "Team"

Planning

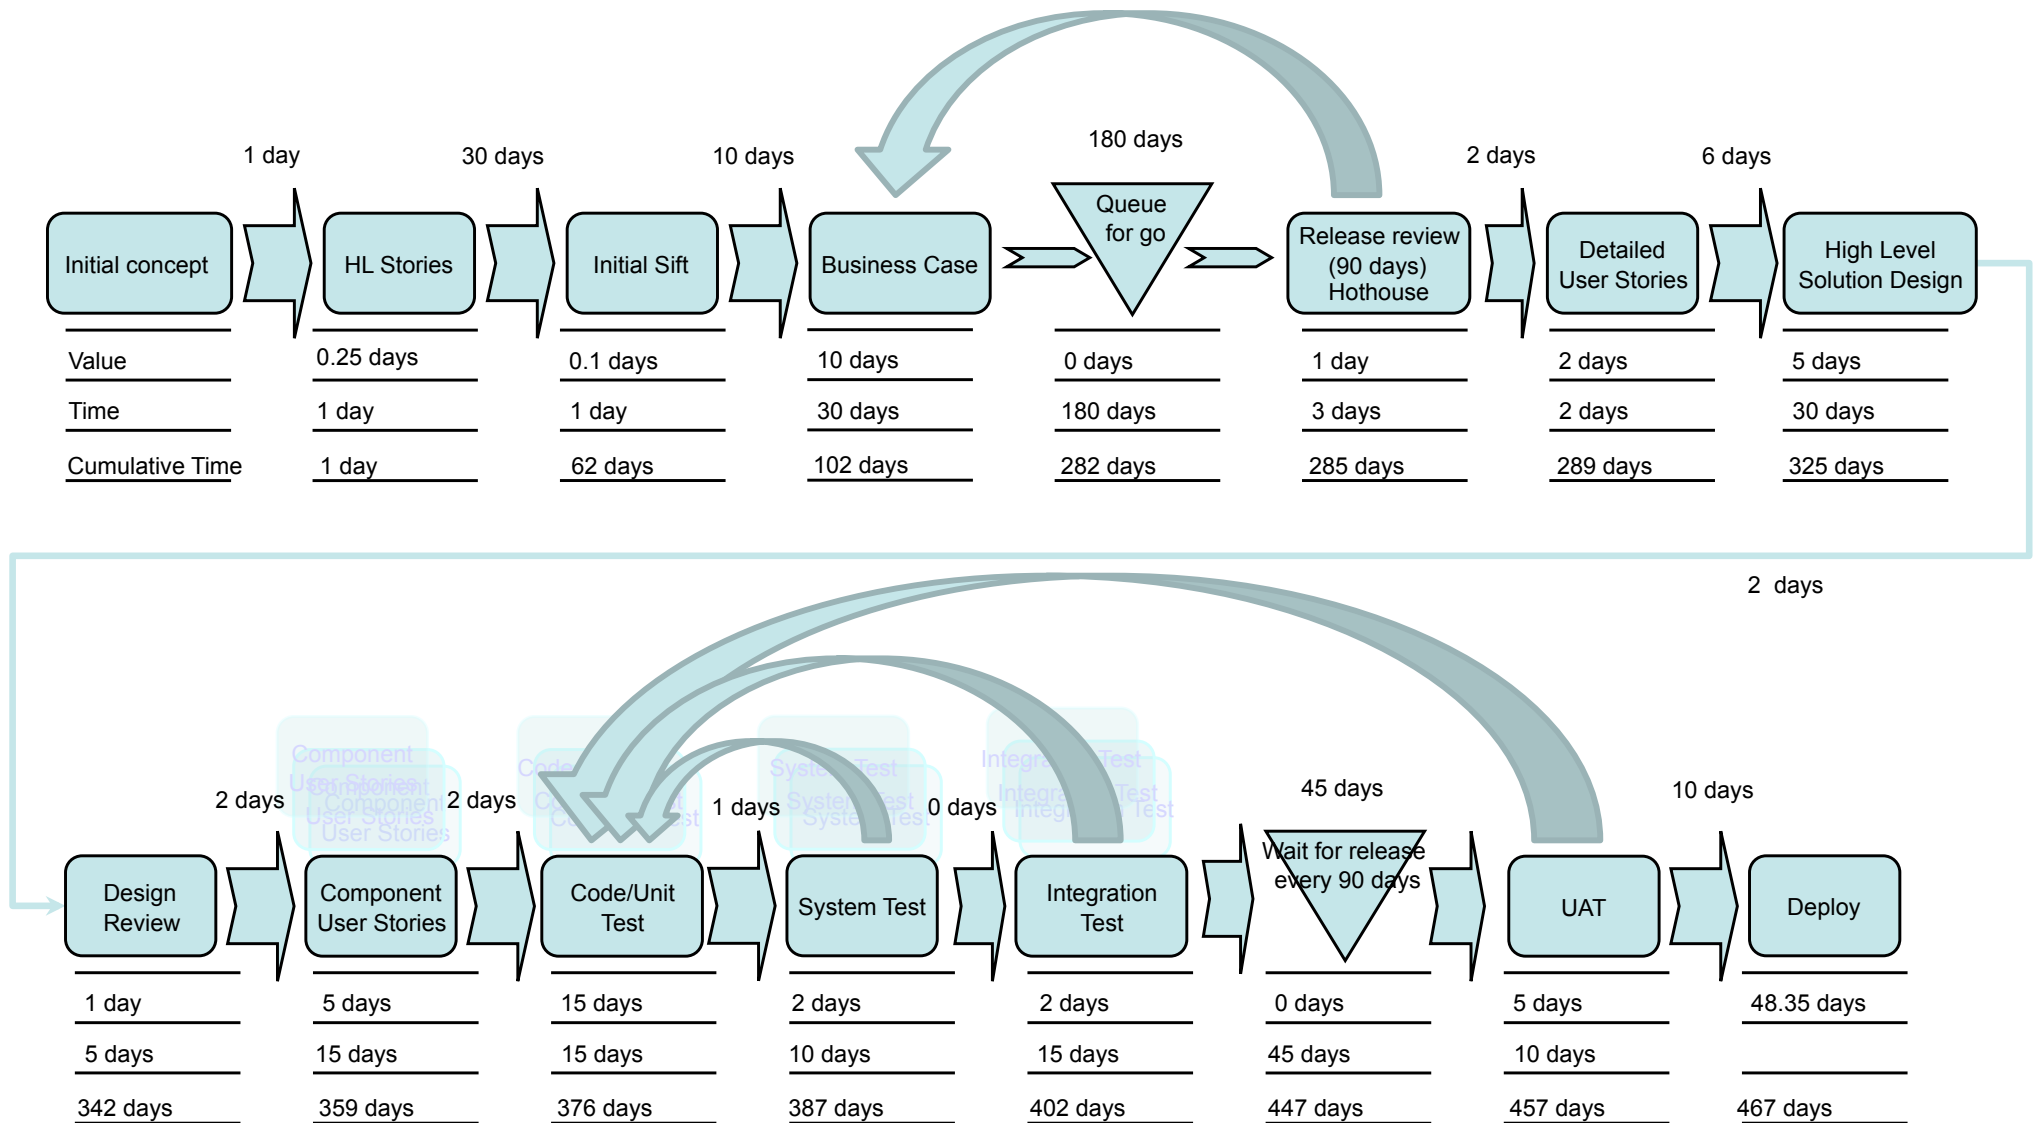

- Dumped 8 month Milestone plan
- Prioritised backlog of stories, 2 week iterations and 8 week release cycles
- Focus on 1 real customer working
- Delivered in 4 customers in 8 weeks
- Speed exposed the targets for follow-up transformation activities

Follow-up

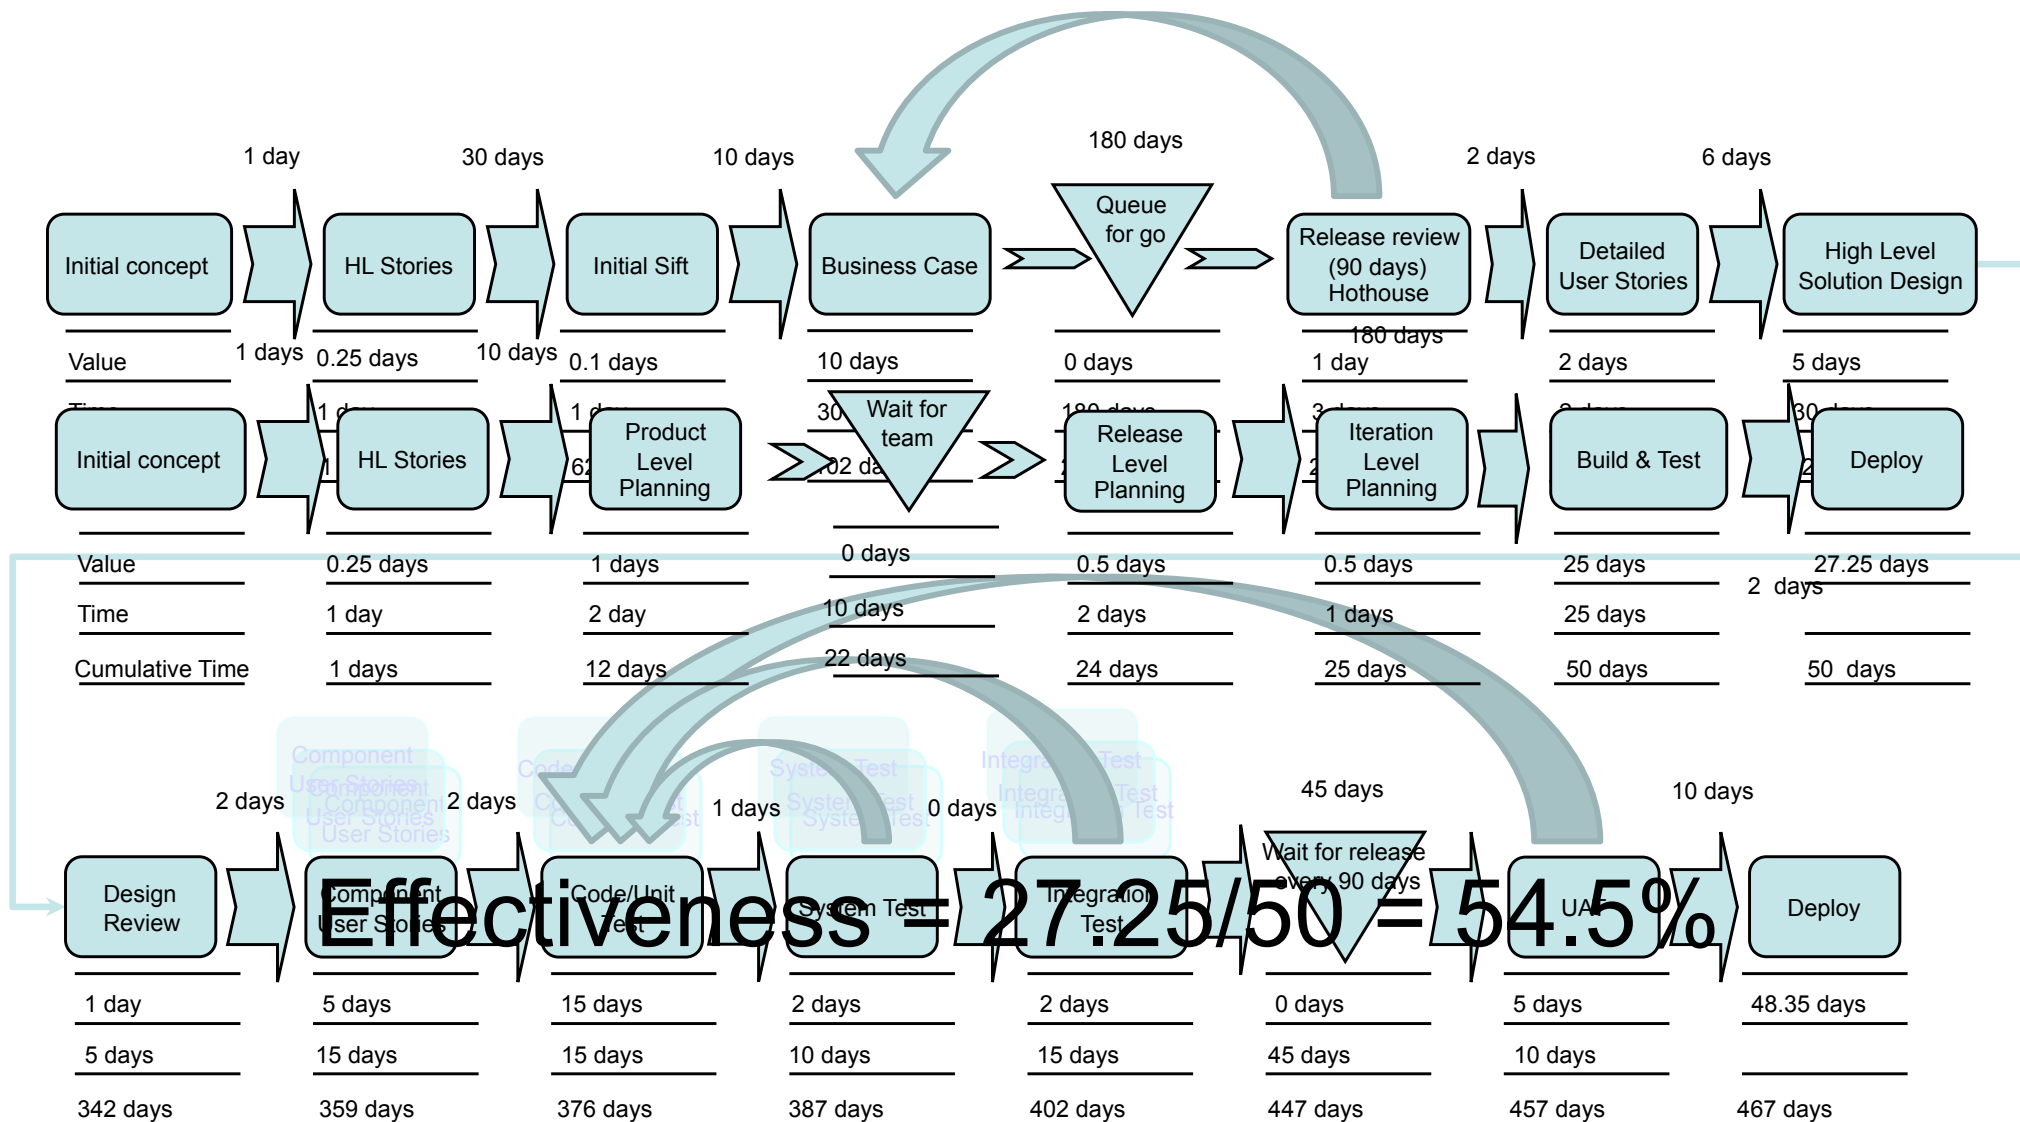

- Heavy coaching activity
 - Extending approach to other teams
 - Based on business priority products
 - Extending learning
- Operating continuous improvement initiative
 - Fixing core issues raised bottom up

Typical BT Value Stream

$$\text{Effectiveness} = 48.35/467 = 10.3\%$$

Agile Value Stream

Effectiveness = 48.35/467 = 10.3%

Automated Testing

- Not for legacy?
- It's too big and complex to think about
- But we have distributed teams
- Slow across the network?
- Dev is separate from SYS/INT

What next?

“Success is not final, failure is not fatal: it is the courage to continue that counts.”

- Winston Churchill

Agile Heartbeat

INSPECT
AND ADAPT

- *establish a vision*
- *change always happens*
- *so prioritise your activity*
- *do something small*
- *get feedback*
- *decide next steps*

Dedicated to helping customers thrive in a changing world. Here's how:

Our Values:

Trustworthy: We do what we say we will

Helpful: We work as one team

Inspiring: We create new possibilities

Straightforward: We make things clear

Heart: We believe in what we do

We are committed to contributing positively to society and to a sustainable future. This is part of the heart of BT.
